

Steeline Half Round & Roundflo Gutter

HALF ROUND & ROUNDFLO

ST21

Half Round

Roundflo

Colorbond® Zinalume®

Steeline Half Round & Roundflo gutters are designed to compliment today's style of buildings and also looks great on older period style homes. Half Round & Roundflo can be supplied with or without overflow slots to protect your home from water overflow. Made from COLORBOND® or ZINCALUME® Steel, that is strong and long lasting.
